LEAGUE TERMS & CONDITIONS

Administration: All personal records and account information are held confidentially for club-use only. League members are required to provide written notice to Golf Shop staff of any changes in phone, mailing, or e-mail address to which communications should be directed.

Cart Operation: The operator of any cart used for course play must have a valid driver's license (domestic or international). League members may ride from tee to green unless otherwise specified by the Golf Shop or starters/rangers (e.g., 90-degree rule). League members are asked to avoid driving on bare spots, ground under repair, in the woods, near any water hazards, or on the railroad tracks (aside from crossing over them). Carts should keep 10 yards from tee boxes, putting greens, and bunkers at all times. Any damages inflicted on a cart as a result of league member misuse may result in repair fees or, depending on the circumstances of the damage (and at the sole discretion of management), loss of league membership. Owl's Nest recognizes that some players have limitations that make it difficult to walk short distances during a round. Handicap placards and special cart flags are offered for those who provide a valid doctor's note.

Course Etiquette: League members are required to conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times. League members must always be aware of others in their group, others on the course and themselves, and never take any action that could endanger anyone. League membership should also do anything possible to leave the course the way it was found by filling divots, raking bunkers, and repairing ball marks on putting surfaces. USGA rules apply at all times unless otherwise noted. Appropriate attire consists of a collared golf shirt and no denim or sweatpants. To help preserve the quality of course conditions, only soft-spikes or soft-sole shoes should be worn during play. Personal coolers and glass bottles are not permitted on the course. Groups of five or more players are not permitted. Owl's Nest staff have full authority to enforce all rules, monitor pace of play, and may do whatever is deemed necessary to rectify any problems on the resort property.

APPLICANT SIGNATURE

Completing this application does not guarantee your participation in Owl's Nest golf leagues. Priority is given to players and teams who played in the previous year. New league membership is granted first to those on our waiting list, and then on a first-come, first-served basis. By signing this application, you agree to the terms, conditions, and payment of selected league membership options and fees. All league membership purchases are final. Refunds of leagues memberships will not be permitted. **League memberships are non-refundable and non-transferable.**
