**Golf Operation:** The operator of any cart used for course play must have a valid driver's license (domestic or international). All golf carts must be issued by the Sports Nest. Carts should keep 30 yards from tee boxes, putting greens, and bunkers at all times. Unauthorized use of any golf cart or any damages inflicted on a cart as a result of member misuse may result in repair fees or, depending on the circumstances of the damage (and at the sole discretion of management), loss of membership without refund. Owl's Nest recognizes that some players have limitations that make it difficult to walk short distances during a round. Handicap placards and special cart flags are offered for those who provide a valid doctor's note. If individuals playing in groups of 2 or more would like to ride by themselves in a separate cart they may do so for an additional cart fee. This does not apply to the single rider in a group of 3
