

2023 Weekly Golf Simulator League

Six Weeks - February 6th through March 13th

The Owl's Nest 2023 indoor golf simulator league will begin on Monday, February 6th and commence for six weeks through the week of March 13th, with final matches to be played on or before Sunday, March 19th. We are able to accommodate up to 12 two person teams and no less than four. Teams are to play six total rounds of simulator golf - one per week. Teams are to book their own simulator reservations and may play any day of the week as long as they play their round before the following week commences.

Scoring & Play

Each round will be played as 9-hole stroke, with a best ball format. Courses will alternate from week to week, with teams playing collectively on the same course throughout the week. At the end of each week, the best ball score to par for each team will be entered into the standings. The team at the end of the six weeks with the best score will ultimately win the league.
