

# HALEIGH O'REGAN

## CATERING & EVENTS SPECIALIST

Owl's Nest Resort

Haleigh was born and raised in Central Massachusetts. From an early age, she knew event planning was going to be in her future. As a Senior in high school, she had the opportunity to intern at the Colonial Hotel in Gardner Massachusetts where she was able to shadow every department and find out exactly what it takes to be successful in the event business.

Upon graduating high school, she chose to attend Plymouth State University. Haleigh studied Tourism Management and Policy with two minors in Marketing and Communications. After completing her degree in the winter of 2021, she knew this was now home and decided to relocate permanently to the White Mountain area! In March of 2022, Haleigh joined the Owls Nest Sales and Events Team as a Sales and Catering Coordinator. For the past two years, Haleigh has been able to work with a very experienced Sales and Catering team here at the Owls Nest. She has gained tremendous knowledge and experience while assisting in the execution of many weddings and events over the past two years, which has prepared her to thrive in a fast-paced environment on her own. As of 2024, Haleigh is now taking the lead on her own weddings, establishing relationships with her clients and helping them make their dreams and visions come true!

Haleigh's number one priority is to make sure every one of her clients' visions comes to life and they have a stress-free day! Haleigh is very enthusiastic to work for such an incredible hardworking team here at the Owls Nest Resort and looks forward to many years and many more satisfied clients!
