Licensed Massage Therapist – Per Diem / Flexible Scheduling

Location: The WellNest Spa & Rejuvenation Center at Owl's Nest Resort

Position Type: Part Time / Full Time/ Per Diem / As-Needed

The **Wellnest Spa & Rejuvenation Center** is seeking a **Licensed Massage Therapist** to join our team on a flexible schedule to support our growing spa and wellness services at Owl's Nest Resort.

This role is ideal for a therapist who values a **thoughtful, client-centered approach** to bodywork and enjoys working in a collaborative, wellness-focused environment.

Responsibilities

- Provide professional massage therapy services tailored to individual client needs
- Deliver a variety of techniques such as **relaxation, therapeutic, and deeper tissue work**
- Create a calm, safe, and supportive environment for guests
- Communicate clearly with clients regarding treatment goals and preferences
- Maintain accurate session notes when required
- Follow all sanitation and professional standards according to New Hampshire regulations
- Work collaboratively with the spa team to support the overall guest experience

Preferred Experience

Therapists with experience or interest in integrative modalities are encouraged to apply, including:

- Deep tissue massage

- Myofascial techniques
- Lymphatic work

(Advanced training is welcomed but not required.)

Qualifications

- Current **New Hampshire Massage Therapy License**
- Professional liability insurance
- Strong communication and client care skills
- Reliable and punctual
- Comfortable working in a **resort spa environment**
- Availability for **weekends and flexible scheduling**

Position Details

- **Full time/ Part Time / Per diem / flexible scheduling based on spa demand**
- Opportunity to work with both **resort guests and local clients**
- Supportive and collaborative wellness environment
- 1099 Contractor

About The WellNest Spa

The WellNest Spa & Rejuvenation Center offers a blend of **traditional spa services and integrative wellness therapies**, including massage, reflexology, craniosacral therapy, energy work, and other restorative modalities designed to support whole-body wellness.
